Michael lives an active Florida Lifestyle including: Golfing, Surfing, Fishing, playing guitar with friends and traveling a bit, in between.

With over 15 years experience in Sales and Marketing, Michael earned the distinct designation of REALTOR® in 2005, after a successful career in Retail Management & Buying.

Starting his Real Estate career in new home construction with a Luxury Home Builder, Mike gained priceless experience with the process of subdivision development, plan reading and customizing of estate homes to turn his Buyers dreams into reality. From first time homebuyers to extremely savvy International investors, Mike enjoys working with everyone! A wise man once said, "If you enjoy what you do, you will never work another day in your life." So true!

Since then, Mike has carved a successful niche in the Brevard County Real Estate Market. The idea of a "Short Sale" was foreign to many until early 2008. Michael says, "It brings me joy to see homeowners faces light up when you explain that they may have an alternative to foreclosure and, in turn, salvage their credit rating."
